Enology/Vinification

Harvest Period:	During the 2ª week of September
Type of Harvest:	100% manual to cases of 25Kgs
Vinification:	The grapes are crushed and destemmed, skin contact for 24 hours at 14°C, gravity draining (only 33% of yield), cold static sedimentation at 7°C for 2 days, and constant fermentation. For this vintage, we blend with 15% of our Reserva White that have an agein on wood.

Fermentation Temperature:	13 - 16°C
Bottling Period:	May 2014
Ageing:	

Production: 10.000 Lts bottling in 13.333 bottles of 75cl

Packaging Specifications:

Ponto Verde
 Bottle bar code– 5600327520219
 Code GTIN – 156003275200117
 Cardboard boxes with 6 horizontally placed bottles
 Weight per box – 7,7 Kgs
 Euro–palette with 25 boxes per row / and 4 rows (100 cxs Total)
 Euro-palette weight 770 Kgs
 Euro-palette size – 1,20m x 0,80m x 1,45 m

Chemical Analysis:

Alcohol Content (%V/V):	13,44 % vol
Total Acidity:	4,4 g/dm ³ tartaric acid
Volatile Acidity:	0.3 g/dm ³ acétic acid
Total Sugar (Gluc+Frut):	0,4 g/dm ³
pH:	3.45
Ageing Potencial:	2 to 4 years after bottling

Tasting Notes: Fruit aromas, freshness, and long and persistence.

Oenology: Marta Macedo, Jorge Alves

Viticulture: Quinta do Filoco

Produced and Botteld by: Sociedade Vitícola Foz do Távora, Lda
