MONTE DA CAPELA – ALFROCHEIRO
RED WINE / VINHO REGIONAL ALENTEJANO

Region:	Vidigueira, Alentejo,
Producer:	Portugal Casa Clara
Winemaker:	Alexandra Mendes

GRAPE VARIETIES: 100% Alfrocheiro.

VINTAGE: The year was marked by some temperatures and precipitations fluctuations, being considered a hot and dry year. The weather remained stable alowing a very low disease incidence and there was almost no need to treat the vines. The harvest at Casa Clara began on August 4 and ended on September 2. It was a good year, which produced wines with elegance, good acidity and freshness.

CLIMATE: Purched over the Guadiana River, between Alqueva and Serra do Mendro, Quinta D. Maria benefits from a microclimate and also from the proximity of the river and the orograpghy in relief that reaches, in some points, an altitude of 300m. In this unique terroir we find the perfect conditions to give the wine a structure, minerality and freshnesss that, in a region such as Alentejo, translates into a surprising balance.

SOIL: Loamy-sandly soils originating from shale and grauvaques.

VINIFICATION: Carefully selected grapes at the harvesting and in the cellar. Cold prefermentation maceration at 8º-10ºC. Fermentation maceration over 4 days, using the délestage technique. Aged in stainless steel for 8 months.

TASTING NOTES: Red wine with an intense rubi color. On the nose, the wine shows a great aromatic finesse with blackberry notes. On the palate, it is a very balanced, fresh and elegant wine. Long lenght with the presence of tannic structure in evidence.

Consume preferably at 16ºC.

BOTTLE AGE: April 23th, 2021.

Nº OF BOTTLES: 3.699 bottles.

TECHNICAL INFORMATION:

Alcohol Content:	13,5%
Total Acidity:	5,4 g/l
Volatile Acidity:	0,65 g/l
PH:	3,68
Residual Sugar:	0,5 g/l
Contains Sulfites
