

Tempus

Rosso Veronese IGT

Our **Tempus** is a classic **red wine**, refined in structure and exotic. Made with Corvina and Merlot grapes, hand-harvested in the first decades of October, it is rich in aromas and flavors. Once tasted, it presents notes of cherry and black pepper.

Oenological practice

Hand harvested during the first 10-20 days of October, after which grapes are destemmed and crushed. As the alcoholic fermentation ends, the wine gets refined in steel before it is barreled.

Tasting notes

Bright ruby red colour, elegant taste with cherry notes and spiced hints of black pepper.

Food pairings

It pairs well with Mediterranean-style pasta or flavourful risotto such as with mushrooms or truffles.

Grape varieties

Corvina Veronese 90%, Merlot 10%

Temperature suggested

18°C

Alcohol

13% Vol
